CLASS PROCEDURE

Each class will last 60 Minutes with approximately 15 Minutes of warm-up – 25 Minutes of FUNdamental Movement Skills activities and 20 Minutes of golf skills. If parents leave the facility during class time, please leave a cell phone number with front desk staff. Also arrive back at the facility promptly 10 Minutes before class ends, Coach Suzanne may have information for class participants during this time. Parents are welcome to stay and watch on the patio or inside in the reception area.

DRESS CODE

Athletes must arrive in closed-toed athletic shoes with socks. No flip-flops, sandals, cleats, dance or dress shoes. Athletes can wear shorts or sweat pants. They can wear short or long-sleeve T-shirts or sweat shirts. If wearing a sweatshirt, please send the athlete with a T-shirt on underneath because the athlete might get hot and need to remove a layer.

SAFETY

Safety of the athletes is one of our primary concerns. We have taken and will continue to take every precaution to ensure that safety. However, this is athletics and injuries will happen. We will have a first aid kit available and will address cuts, scratches bumps and bruises. If your athlete has a condition that requires extra care, such as asthma or Type-1 diabetes, please send them to practice with the appropriate equipment and instructions on how the athlete should use the equipment. If you need to be there to check your athlete and administer medicine, then please be there. Please let the coaches know if your athlete is carrying inhalers, spacers, insulin needles and other medical supplies.
